

A long,
long time ago
in a far away
country,

there lived
a goddess
inside a forest

神様の

KAMIGARA

Hachi Ito presents

Hey, little
birdie...

Ah...

I'm so
hungry...

I can't
move
at all...

whoosh

If you don't
get up now, I'll
turn you into
yakitori,
you know?

No
way...

Please
wake up...

PLEASE
DON'T
DO THAT!

KYAAAAA!

Ah! That's
right! I'm on
urgent
business!

I've been
looking for
someone

Who
are you
looking for?

I've been
so busy
haven't gotten
a chance to
eat of all

You're the
goddess
that's
living in
this forest,
right?

That's right,
You're Nana,
and you were
born on the
west side of
this forest,
correct?

Why are you
so hungry to
the point of
collapsing here?

You
were
scared
me!

She helped
me when I was
injured before!

That's why
I want to
repay her
kindness

It's a
human doctor
that's living in
this forest

I may not
be able to
repay her
kindness
after all

But
Goddess..

So that's it...

blush

But the reason
you want to
become a human
isn't simply
because you
want to repay
her kindness,
right?

Now, you've also
fallen in love with
this doctor.

She's a doctor,
aren't you?

I see,
I see!

As you
can see, I'm
just a bird.
I can't do
anything like
this.

I want
to become
a human.

Hehehe, okay.
I'll turn you into
a human then.

This love between
a bird and a human
intrigues me.

You'll become
a human when you
open your eyes again.

But remember,
the magic will
come undone and
death awaits if you
ever have thoughts of
wanting to return to
being a bird.

But the
goddess
overlooked
one thing...

Whoosh

And just
like that, the
bird was
turned into a
human by
magic.

The bird
was actually
a girl.

Im
exhausted

Ah!
There it is!
I see it!

Snap

Rustle

If I was
still a bird,
though,
I could've just
flown here
in a jiffy!

Snap

It sure is
inconvenient
being a human.
It took me
forever to
travel such
a small
distance.

But now
I have hands
and legs so
I'm happy!

So the
doctor's
name is
Chloe?

I'm sure
she'll be
surprised to
see me,
right?

Chloe

**I'M HERE
TO SEE YOU,
DOCTOR!**

Huh?

SILENCE

She looked
so angry the
whole time.

Doctor really
doesn't remember
anything about
me anymore.

Let I
be a
long back
here
after all

I really
didn't mean
to give her
trouble at all.

Here, try
and see if
you can fly

Don't worry,
you'll be healed
in no time!

Are you
hurt?

You did it!
You're flying!

smile like
back then...

I just
wanted her
to

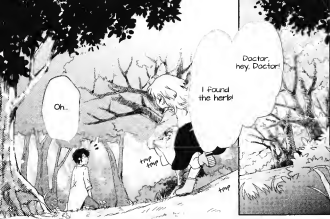

I don't
have any
recollection
of this
Neru girl,

but the
stitches on her
abdomen were
indeed done
by my hand.

Then let
me get
some from
the village!

Ahi
Neru!

Sure.
Oh?

Hello! I'd
like some
matches
please

The
forest?

You
must be a
new face

Where
are you
from?

I'm from
the forest.

Don't tell me
you came from
that strange
doctor that's
living in the
forest?

Wow!
There are
a lot of
people here!

How could you... We can't finish making the medicine without it!

Go home

I don't want to be involved with trouble

Well, yes...

It's true that a few of the villagers have been helped by that doctor,

most of the villagers still think she's a strange woman.

but since she's living alone in such a scary forest,

That's why
I told you
I hate
humans

Naturally,
that includes
you too

No good!
That's no good!

AH!

I can't
give
up just
yet!

The magic will
come undone and
death awaits if you
ever have thoughts
of wanting to return
to being a bird.

Doctor--

I can't
believe she
hates
humans.

If I'd
known that,
I would've
just stayed
a bird.

Doctor!

My
granddaughter's
condition is

Point

She suddenly developed a fever at nightfall

But this herb is extremely rare. Can we really find it?

This may be the only medicine that will be effective for her.

Her usual meds must be ineffective now...

Yes!

Please follow me!

**REALLY?!
CAN YOU
SHOW ME
WHERE?!**

Doctor!

I've seen this herb before!

Look
over there,
Doctor!

Being inside
the forest this
late at night.

A normal person
would definitely
get lost right
away.

THERE
IT IS...!

What
would you
do about
what I've
finally
found it.

If we
don't get
the herb
the patient
will

while I
was still
a bird

But it's
too high up.
We
can't reach it!

Oh, that's rare,
I discovered
this herb!

And I'm
here because
I wanted to
repay your
kindness

That's why,
for you,
I'm not afraid

**NERU!
ARE YOU
OKAY?!**

NERU!

Doctor...

Neru, you
really are a
bird

hold

I'm so sorry
for all the terrible
things I've said
to you!

Please don't cry

Even though Doctor
doesn't like humans,

I'm still happy that I
was able to talk to you

Thank you
Neru

hold

I'm so glad that I was
able to become a human!

I've been watching
everything you've done
up until now. I'm
going to grant you
the power of miracles
once again...

Eli? This voice.
It's the goddess?

Neru...
Neru...
